

§ 201.3 Approval of State plans and amendments.

The State plan consists of written documents furnished by the State to cover each of its programs under the Act: Old-age assistance (title I); aid and services to needy families with children (part A of title IV); aid to the blind (title X); aid to the permanently and totally disabled (title XIV); or aid to the aged, blind or disabled (title XVI). The State may submit the common material on more than one program as an integrated plan. However, it must identify the provisions pertinent to each title since a separate plan must be approved for each public assistance title. A plan submitted under title XVI encompasses, under a single plan, the programs otherwise covered by three separate plans under titles I, X, and XIV. After approval of the original plan by the Administration, all relevant changes, required by new statutes, rules, regulations, interpretations, and court decisions, are required to be submitted currently so that the Administration may determine whether the plan continues to meet Federal requirements and policies.

(a) *Submittal.* State plans and revisions of the plans are submitted first to the State governor or his designee for review in accordance with § 204.1 of this chapter, and then to the regional office. The States are encouraged to obtain consultation of the regional staff when a plan is in process of preparation or revision.

(b) *Review.* Staff in the regional offices are responsible for review of State plans and amendments. They also initiate discussion with the State agency on clarification of significant aspects of the plan which come to their attention in the course of this review. State plan material on which the regional staff has questions concerning the application of Federal policy is referred with recommendations as required to the central office for technical assistance. Comments and suggestions, including those of consultants in specified areas, may be prepared by the central office for use by the regional staff in negotiations with the State agency.

(c) *Action.* The Regional Administrator, exercised delegated authority to take affirmative action on State

plans and amendments thereto on the basis of policy statements or precedents previously approved by the Administrator. The Administrator retains authority for determining that proposed plan material is not approvable, or that a previously approved plan no longer meets the requirements for approval, except that a final determination of disapproval may not be made without prior consultation and discussion by the Administrator with the Secretary. The Regional Administrator, or the Administrator formally notifies the State agency of the actions taken on State plans or revisions.

(d) *Basis for approval.* Determinations as to whether State plans (including plan amendments and administrative practice under the plans) originally meet or continue to meet, the requirements for approval are based on relevant Federal statutes and regulations. Guidelines are furnished to assist in the interpretation of the regulations.

(e) *Prompt approval of State plans.* Pursuant to section 1116 of the Act, the determination as to whether a State plan submitted for approval conforms to the requirements for approval under the Act and regulations issued pursuant thereto shall be made promptly and not later than the 90th day following the date on which the plan submittal is received in the regional office, unless the Regional Administrator, has secured from the State agency a written agreement to extend that period.

(f) *Prompt approval of plan amendments.* Any amendment of an approved State plan may, at the option of the State, be considered as a submission of a new State plan. If the State requests that such amendment be so considered the determination as to its conformity with the requirements for approval shall be made promptly and not later than the 90th day following the date on which such a request is received in the regional office with respect to an amendment that has been received in such office, unless the Regional Administrator, has secured from the State agency a written agreement to extend that period. In absence of request by a State that an amendment of an approved State plan shall be considered as a submission of a new State plan,

the procedures under § 201.6 (a) and (b) shall be applicable.

(g) *Effective date.* The effective date of a new plan may not be earlier than the first day of the calendar quarter in which an approvable plan is submitted, and with respect to expenditures for assistance under such plan, may not be earlier than the first day on which the plan is in operation on a statewide basis. The same applies with respect to plan amendments that provide additional assistance or services to persons eligible under the approved plan or that make new groups eligible for assistance or services provided under the approved plan. For other plan amendments the effective date shall be as specified in other sections of this chapter.

§ 201.4 Administrative review of certain administrative decisions.

Pursuant to section 1116 of the Act, any State dissatisfied with a determination of the Administrator pursuant to § 201.3 (e) or (f) with respect to any plan or amendment may, within 60 days after the date of receipt of notification of such determination, file a petition with the Regional Administrator, asking the Administrator for reconsideration of the issue of whether such plan or amendment conforms to the requirements for approval under the Act and pertinent Federal requirements. Within 30 days after receipt of such a petition, the Administrator shall notify the State of the time and place at which the hearing for the purpose of reconsidering such issue will be held. Such hearing shall be held not less than 30 days nor more than 60 days after the date notice of such hearing is furnished to the State, unless the Administrator and the State agree in writing on another time. For hearing procedures, see part 213 of this chapter. A determination affirming, modifying, or reversing the Administrator's original decision will be made within 60 days of the conclusion of the hearing. Action pursuant to an initial determination by the Administrator described in such § 201.3 (e) or (f) that a plan or amendment is not approvable

shall not be stayed pending the reconsideration, but in the event that the Administrator subsequently determines that his original decision was incorrect he shall certify restitution forthwith in a lump sum of any funds incorrectly withheld or otherwise denied.

§ 201.5 Grants.

To States with approved plans, grants are made each quarter for expenditures under the plan for assistance, services, training and administration. The determination as to the amount of a grant to be made to a State is based upon documents submitted by the State agency containing information required under the Act and such other pertinent facts, including title IV-A the appropriate Federal share of child support collections made by the State, as may be found necessary.

(a) *Form and manner of submittal.* (1) Time and place: The estimates for public assistance grants for each quarterly period must be forwarded to the regional office 45 days prior to the period of the estimate. They include a certification of State funds available and a justification statement in support of the estimates. A statement of quarterly expenditures and any necessary supporting schedules must be forwarded to the Department of Health and Human Services, Family Support Administration, not later than 30 days after the end of the quarter.

(2) Description of forms: "State Agency Expenditure Projection—Quarterly Projection by Program" represents the State agency's estimate of the total amount and the Federal share of expenditures for assistance, services, training, and administration to be made during the quarter for each of the public assistance programs under the Act. From these estimates the State and Federal shares of the total expenditures are computed. The State's computed share of total estimated expenditures is the amount of State and local funds necessary for the quarter. The Federal share is the basis for the funds to be advanced for the quarter. The
